

## **Division of Water Infrastructure Announces Spring 2020 Application Training at Six Sites Statewide**

***(Training locations: Williamston, Kinston, Pembroke, Hickory, Winston-Salem, Research Triangle Park)***

The Division of Water Infrastructure in the N.C. Department of Environmental Quality announces training for the Spring 2020 funding round. Funding offered this round is available through the Clean Water State Revolving Fund (CWSRF), the Drinking Water State Revolving Fund (DWSRF), and the “Additional Supplemental Appropriations for Disaster Relief Act, 2019” (ASADRA). Funding through ASADRA will be administered through the CWSRF and DWSRF programs.

**All applications must be received by the division no later than close of business on Thursday, Apr. 30, 2020. Application training for the following funding programs will be offered Feb. 19 through Feb. 28 at the locations indicated in the chart below.**

### **Funding Programs Available in Spring 2020 Funding Round**

- **Additional Supplementation Appropriations for Disaster Relief Act, 2019:** This program offers supplemental funding to the State Revolving Fund (SRF) programs for wastewater treatment works and drinking water facilities impacted by Hurricanes Florence and Michael.
  - A total of \$105,364,800 will be offered between the CWSRF and the DWSRF.
  - Up to \$26,341,200 will be available in the form of principal forgiveness between the programs.
  - ASADRA funds are available **for the Spring 2020 funding round only**.
- **Clean Water State Revolving Fund:** This program funds wastewater and green projects. It is available to all Local Government Units (LGUs) and non-profit water corporations and offers low-interest loans up to \$30 million per applicant. Approximately \$70 million will be available for this round with up to \$2 million as principal forgiveness.
- **Drinking Water State Revolving Fund:** This program funds drinking water projects. It is available to all LGUs, non-profit water corporations, and for-profit water corporations and offers low-interest loans up to \$20 million per applicant. Approximately \$50 million will be available for this round, with up to \$12 million as principal forgiveness.

**If you are considering applying for funding related to any of the available programs listed above, the Division of Water Infrastructure encourages you to attend a training session.**

**If you cannot attend training, division staff will be available to meet on an individual basis.**

**Application training will be held during the weeks of Feb. 17 and Feb. 24.**

**Application materials will be available on the division website before training begins at:
